ORDER

Koshy,J.

This is a petition to review the judgment dated 7th August, 2006. The judgment was pronounced in the open court in the presence of advocates on both sides. A review petition cannot be equated to a petition for rehearing of the matter or appeal proceedings. There is no ground for review. Apart from the above, we see no ground in the delay condonation petition also. Hence both delay condonation petition and review petition are dismissed.
